Reflections

Let Your Imagination Fly.....

Calling all Creekside students!

Do you have an inner artist? Are you a literary enthusiast? Do you love to take pictures? Is dance your passion? Are you a music making machine? Are movies your thing? Then **Reflections** is for you!

Creekside PTSA invites you to get creative and participate in this year's **Reflections** Program, a National PTA and WSPTA cultural arts competition, by creating an entry, based on this year's theme – *Let Your Imagination Fly!*

Students may submit an entry in any of the six arts areas - **Dance Choreography, Film Production, Literature, Music Composition, Photography or Visual Arts**. Each entry must be original and unique to the participant and will be judged by local experts in their fields, culminating with a reception to honor your efforts and show off your hard work.

The deadline for entries is Friday October 30th so get creative and let YOUR imagination fly!

Fall Turn In Drive

Send in your Box Tops and Labels for Education in now. Last year we raised \$950 in box tops and purchased playground toys with the points collected through Labels for Education. Can we top that this year?

A flyer will be coming home soon for you to attach your box tops and gives product information for Labels for Education. We appreciate your support for this program again this year.
