2017-18 CURRICULUM GRANTS

How do I Apply?

Teachers, and /or Teaching Teams, Specialists, Staff, parents and students (with adult sponsor) can apply for a grant. It's as easy as 1-2-3:

1. Complete the application by late November. Applications can be found in the PTSA box in the office or on our website at <http://creeksideptsa.ourschoolpages.com>. Click on PTSA and then Forms.
2. Return the application to the PTSA mailbox (in the office) or email directly to the current president by FRIDAY, DECEMBER 1st, 2017.
3. Wait to be contacted with results. You will know if your project has been funded and approved by the PTSA mid-December. Instructions on how to use your grant money, if awarded, will be given to you then.

How will the grant applications be rated?

Each proposal will be rated in the following areas:

- Supporting the school goals of raising the standards of learning.
- Contribution to academic achievement/program excellence for significant numbers of students. Grade level/multi-level proposals are encouraged.
- An on-going component, where funds will be used for materials or suppliers that can affect both current and future students.
