Talent Show

Creekside's Annual Talent Show is coming soon!

Mark your calendars for Friday, April 27th. Doors open at 5 for the visual arts displays, show starts at 6. If your student is interested in participating please sign up via creeksideptsa.ourschoolpages.com from March 26th-March 30th.

Students can sing, dance, do a skit, show their yo-yo, hula hoop, stilts, or pogo stick tricks, demonstrate martial arts, play an instrument (or two or three at the same time), quote a poem or read an original poem. Be creative and have fun. Acts need to be 2 minutes or less. If you have a child who wants to be on stage but doesn't want to put together a number, you can sign him or her up to participate in a pre-choreographed ensemble number Staci Gould is putting together. Mandatory rehearsals, accompanied by a parent, on Wednesday April 18 and 25th after school. If you have a Creekside artist in your home, sign him or her up to submit art or writing for the visual arts section that will be on display before and during the show.

For questions, contact Staci Gould at stacigould@gmail.com.

Space is limited. Registration will closed on, or before, Friday, March 30th based on space availability.

Math Club

The Creekside Math Club competed in The Math is Cool competition Friday night. They had been preparing for this competition since October and their hard work paid off.

Creekside took home a 3rd place win out of 20+ schools!

They also had two individual winners. Owen Cao received 7th place and Andrew Lu received 13th place.

Congratulations Creekside Math Club!

Science Night

Thank you to everyone who came to our Family Science & Engineering Night. There was so many exhibits for everyone to learn about, experience and explore! Among the favorite stations were the Reptile Man, Spartabots, DIY Flashlights, and the Giant Lever. THANK YOU to all of our wonderful volunteers, and especially our event chairs Kristine Chen and Cece Kennedy, who worked so hard to make the event a success!
