

# WAFD Save at School

At Washington Federal, we've been helping our neighbors save for the future since 1917...that's **100 years!** Partner with Washington Federal to help teach our kids how to save money with a "Save at School" account:

- Just a \$5 deposit opens their account.
- We'll add another \$5 to each brand new account!
- Kids make deposits at school on designated "Bank Days."
- No fees, no minimum balance to earn interest.
- School accounts earn a 0.10% Annual Percentage Yield. *(This variable rate can change after the account is opened. \*)*
- Students can keep track of their deposits with register books and reusable envelopes we provide.
- Parents receive quarterly statements by mail.
- Withdrawals must be made in person at a branch.
- Over 230 locations in eight western states.

As one of the strongest, best capitalized banks in America, we look forward to helping your student develop healthy financial habits.
