Mission:

The Creekside PTSA strives to provide our students with the opportunity for safe, fun, and educationally enriching activities by partnering with teachers, parents, and the community and by giving each child a legislative voice.

Goals:

- Foster a fun and creative learning environment in coordination with the school that encourages students to be natural learners.
- Embrace the Issaquah School District's Culture of Kindness and bring it to the forefront of the Creekside Community.
- Continue to streamline, create and enforce uniformed policies that will make the volunteer experience easier, become more time efficient, and have a positive impact on the students, school and community. • Increase PTSA membership by 10%, and have knowledgeable, well-informed members; develop community understanding of legislative issues, district happenings and Washington State and National PTA by continue to work on innovative ways to communicate with the general membership.

Focus: Creekside Kindness- to maintain a consistent focus of Kindness throughout our student community that goes above and beyond behaving while creating a mentorship opportunity for leadership in student kindness. This is done by increasing empathy within the Creekside Community through a Kindness Club consisting of class ambassadors chosen from grades 3 through 5. Ambassadors will recognize and encourage the growth of inclusion and compassion in all aspects of Creekside Elementary.
