Marketing for Reflections starting this week. Entries due on October 25th. November 14th is the family reception. Reflections will be added to the May Board Meeting Agenda to review any changes to be made for 2020.

Art Docent Program- Kari Feistner and Poupak Pries Shalchian

All classes have filled Art Docent Positions. The Art Docent Program has 70 volunteers and reaches every child at Creekside. There is an art lesson every month in the classroom. This year they plan to purchase aprons to protect student clothing and mats for protecting tables during art lessons. The position of the drying racks in the hallways is a concern for school administration. Further discussion is needed to determine the best place to keep the drying racks so they continue to be useful for the art docent program if they are no longer able to be kept in the halls.

Halloween Bash- Jared Wood

The Halloween Bash will proceed the same as last year: Outdoor games, haunted house, DJ and photobooth inside, toy and donut sales, craft tables in the multi-purpose room, pizza from Pagliacci's or Pine Lake Pizzeria and face painting. The roof of the haunted house will be reinforced with PVC pipe and materials will hopefully be donated by Lowes. A storage container will be purchased to store the haunted house. An example of the container being considered can be found at www.azteccontainer.com. There was a Halloween Bash Committee that met last week. 3-4 volunteer positions will be added as line monitors to alleviate the concession and photo booth line concession which has occurred in the past. No left over beverages may be stored in the PTSA room. All unsold beverages must be given away at the end of the event. Concessions are cash only at this time but an inquiry will be made into using Square at events.
