

Room Parent Overview

2020-2021

What is a Room Parent?

- As a Room Parent, your most important role is to ***serve as the liaison between the teacher and parents in your classroom.*** (virtual)
- Your teacher may want you to do some or all of the following:
 - Facilitate virtual classroom celebrations as directed by the teacher.
 - Find people to perform tasks as required by teacher.
 - Take pictures during virtual classroom events as coordinated with teacher.
 - Celebrate teacher birthday, holidays, parties and class gift.
 - Coordinate with teacher to plan volunteer schedule – Likely not this year.

Getting Started

- Meet with your teacher as soon as possible to discuss their needs and expectations for the school year.
- Introduce yourself to the other parents in the classroom by email or phone; please note the district policy that we are to **blind copy recipients** when sending out emails to classroom parents.

Supporting the PTSA's efforts

- Throughout the year you may be asked by the PTSA to distribute information to the parents in your class. This could include helping to promote upcoming events or recruiting parent volunteers.
- **Staff Appreciation Week** takes place in May. The PTSA will contact you to coordinate daily activities for the teacher (i.e. bring a flower, write a note, donate to the staff lunch, etc.)

Recognizing Assigned Staff Personnel

- We need your help to recognize our fabulous support staff (paraprofessionals, custodians, office staff, tech, and other specialists)
- Each classroom has been paired with one or two support staff members.
- We will distribute “favorite things” lists for all staff members
- If you are coordinating a teacher gift for the holidays and staff appreciation week in May, please include your designated staff member(s) as well

Collecting Money for Gifts

At your discretion, you can collect money to help plan for special occasions i.e., For holidays, Teacher and Assigned Staff Birthday & Staff Appreciation Week which is scheduled for May.

- This year since it's a little hard to predict events in advance, we encourage you to share with parents the purpose and times you'll be collecting (2-3 for the year)
- Give a suggested donation amount or range \$25-\$35 is a good starting point
- If you coordinate a class gift, make sure it is from the entire class even if some families don't participate

Party planning - Virtually

Coordinate with your teacher re: virtual class parties

- There will be no in person gatherings supported by the PTSA or staff while we're in COVID Phase-2.

Consider enlisting another parent in the class as “virtual party planner” if desired

- The teacher may ask you to help plan the end of year field trip, in tandem with other room parents for your child's grade - TBD

Use a SignUp Genius to solicit donations of funds, craft supplies, food, and volunteer time

- Younger grades tend to have more parties than older grades
- (ie - Kinder and 1st grades generally have Halloween and Valentine's parties)

Virtual Staff Appreciation

- Pictures or Videos with Words or Pictures from Kids then rolled into Magisto, Creator or other Media Tools – Share by friendship list or by class FB page or Creekside's
- Ask your teacher for a Wish List from Scholastic Readers or other providers
- Drive By Appreciation by class or grade
- Pictures, Drawings, Flowers or Food Baskets
- Gift Cards to Amazon, Target, Starbucks or other restaurants (Costco Discount)

On-Going Announcements

Yearbook & Pictures

For general photos you can use

Load: Entourage Yearbook App

(Google Play Store & Apple Store; search "Entourage")

Search: **Creekside Elementary PTSA 2021 Yearbook"**

How can we help you?

- Our job is to help you understand your role, and to share information as needed so that you can communicate it to your classroom parents.
- The 2020-2021 [Room Parent Handbook](#) can be found on the PTSA website under the “Volunteers” tab and “Room Parent Information”.
- The handbook lists different ways your teacher may need your help along with other information that can guide you during the year.
