

ISSAQUAH  
SCHOOLS  
FOUNDATION

### **What is the Issaquah Schools Foundation?**

The Issaquah Schools Foundation is a connector, transforming the passion of parents, businesses and community members into investments that help our students succeed and make Issaquah schools among the best in the state.

### **Why do we need a schools foundation?**

Funding from the State Legislature covers only the basics. Of the 295 school districts in Washington, Issaquah ranks 292nd in per-pupil state funding. Don't your kids deserve better?

Your gifts to the Foundation bridge the gap between basic state funding and what it really costs to provide the highest-quality education to our kids. The Issaquah School District cannot raise private funds. That's where the Foundation steps in. Your tax-deductible gifts help turn every Issaquah school into a great school.

### **How is it different than the PTA?**

PTAs fund critical needs at individual schools. The Foundation provides additional support for all schools while also funding district-wide investments that one school can't fund like new curriculum or training for teachers.

### **What do they do with the money?**

Your gifts to the Foundation support students when they struggle, when they excel and all times in between. From leading-edge STEM curriculum to financial literacy, arts programs to after-school tutoring, you ensure that kids of all abilities have the support they need to navigate their own unique paths to success. Your support provides more than \$1.2 million a year to schools across the district, giving students countless opportunities they can only access because of your generosity. ### **How do they raise money?**

You are also invited to join our school's table at the *Nourish Every Mind* Luncheon (May 11<sup>th</sup>) and/or Breakfast (May 17<sup>th</sup>). Contact our Foundation Ambassador to learn more.
