Treasurer’s Report – Rohani Jotshi

Budget (reported by Amy Miller)

- Budget is slightly higher than last year
- Otter-thon revenue is uncertain for next year. ISD no longer allows Otter-thon events during instructional time and no assemblies (need to be creative next year)
- Movie License added in (\$250/yr)
- Science Night (Science-To-Go is replaced with Mystery Science based on teacher feedback)
- Quick Books software was added to make the Treasurer’s role simpler
- \$3800 in specialist support + \$600 in school improvement plan support (Amy will discuss with Ms. Allison to appropriate funds in the best way)
- 5th Grade Camp Colman budget has been re-distributed to funding for quickbooks and different clubs and programming. There is some uncertainty about whether or not there will be overnight camp in the future. By state law, an extended day camp is required at the least (Amy Alison reported and will update when there is more information) Concluded that we keep the Camp Colman line item in place until we know more from the district next year.
- Carrie Alexander said we don’t need the 5th grade signs since they were just for Covid-response years
- Amy Allison reported that there are 2 specialist positions that do not need funding as they are no longer at Creekside

			Annual Budget
1. Passive Fundraising			
	Sponsorships		5,000
	Matching		20,000
	Passive Fundraising		3,000
